PRESIDENT'S MESSAGE:

Greetings, Lionesses!

Hooray for June, gateway month to a new season and a new Lioness year! Question—does summer seem to invigorate and energize you both physically and mentally? If you are like me, the answer is a resounding, “Yes!” Take advantage of that renewed vitality and use it to your own as well as our club’s benefit. Let’s get behind President-Elect Veronica and help to support her in whatever way we possibly can in our new year. Without a vice president to help fulfill some of the duties and to “shadow” the president, it will be a “different” year for her and for us to be sure, so please give it your all. Regardless of what awaits us in the future, I strongly encourage each of you to serve our community and each other like never before. Get a game plan in place now to guide you in making our 35th Lioness year the very best ever! As we all know, this is Lioness Dot's last monthly newsletter to our group. I can't thank her enough for keeping us up-to-date with our club's happenings, which were presented with such literary flair! Style notwithstanding, though, I think I can safely say that many of us headed straight for the Closings first, to check out the great jokes! Although Lioness Dot is putting the final touches on this chapter with the club, I am already looking forward to reading Lioness Emily's spin on the news! I wonder what flourishes she has in mind for us? I will close my last monthly remarks to you with a huge, “THANK YOU!” for trusting me to preside over the Lititz Lioness Club these last 2 years. Believe me, I deeply appreciate all of the help, guidance, and encouragement I’ve been given along the way, especially from the Officers and Board. VERY special thanks to VP Veronica for your many kindnesses, diligence, and hard work, and now I can't wait to work alongside you in a different capacity! You're the best!!

Finally, it has been and always will be an honor and a pleasure for me to work side-by-side with the most delightful and caring group of women I’ve ever known. I sincerely appreciate all of you!!

Thank you again,

President Diane

BITS AND PIECES:

Charter Night on May 12, held at the Eden Resort, was a big success. The food was good and the entertainment by The Chestnuts was great. They played music from the 50's and the 60's (mostly the 60's) and there was lots of toe tapping, sing-alongs and jitterbugging by Vivian and Harry Aichele. The only regret was that they didn't play longer. Good job, Barbara Weaver and Deb Olsen. – Reported by Lioness Estelene

Lioness Bettielee is at home and feeling fine. She tires easily, but will be gaining her strength along the way. While Lioness Bettielee is waiting impatiently for her test results, she welcomes visits, cards, and phone calls.

A big thank you to President Diane for all the work she has poured into the club over the past two years.

Welcome to our new President – President Veronica. We wish you a successful year!

Wishing Lioness Emily the best as she undertakes the Lioness Newsletter position. You Go, Girl!

COMMITTEE REPORTS: None

CLOSE WITH A SMILE:

A little 10-year-old girl was walking home, alone, from school one day when a big man on a black motorcycle pulls up beside her.

After following along for a while, he turns to her and asks, “Hey there little girl, do you want to go for a ride?”

“No!” says the little girl as she keeps on walking.

The motorcyclist again pulls up beside her and asks, “Hey little girl, I will give you \$10 if you hop on the back.”

“No!” says the little girl again as she hurries down the street.

The motorcyclist pulls up beside the little girl again and says, “Okay kid, my last offer! I’ll give you 20 bucks...and a big bag of candy if you just hop on the back of my bike.”

Finally, the little girl stops and turns towards him and screams out...

“Look Dad, you’re the one who bought the Honda instead of the Harley...YOU RIDE IT!!”

An old man was eating at a truck stop minding his own business when three dangerous looking bikers walked in.

The first walked up to the old man, pushed his cigarette into his pie and then took a seat at the counter.

The second walked up to the old man, spit in his milk and then took a seat at the counter.

The third walked up to the old man, turned over his plate and then took a seat at the counter. Without a word of protest the old man paid and left the diner.

One of the bikers said to the waitress, “Humph, not much of a man, was he?”

The waitress replied, “Not much of a truck driver either. He just backed his truck over three motorcycles.”

Don’t mess with old folks.

POST SCRIPT:

Macular degeneration has finally taken its toll. I can no longer see the printed word. This is probably the best job in the club and I wish Lioness Emily the best as she takes over the Lioness Newsletter. Please support Lioness Emily by sending in your news items and committee reports in a timely fashion.

Thank you for your cards, notes, and phone calls on my retirement. They were much appreciated.
